MAY 2010

Hello Brothers & Co-Workers

Well here we are at the beginning of a new Moose year. Our year ending April 30, 2010 was a good one. Both the men & women met their membership quotas. The lodge donated from its members over \$5500.00 to Moose Charities in endowment collections. We finished 1st. in MD lodges and 2nd in the MD, DE, DC, Moose Association. Thanks to all of you and give yourselves a round of applause. Let's keep up the good work and stay # 1 in 2010-2011.

As always Membership is important, please take advantage of the current campaigns to sign new members. Also important is member retention, so all you sponsors out there keep in touch with members you have sponsored over the years and remind them to keep current with their dues.

A new year means new officers both for the men & women. Say "Hi" to the new officers and thank them for their service and dedication to the lodge. They are here to help you.

Special thanks go out to our hard working staff for continuing to make the lodge, "The Friendliest Place in Town". Please remember our servers are volunteers and deserve to be treated with respect, they are members too.

MAY 2010

If you are reading this you are probably on our web-site. Thanks to Melissa Moscati for being the webmaster & Deana Hasselberger for the calendars. Also thank you to Faye Adams for coordinating the hall rentals. Anyone interested in renting the hall please contact Faye at 410-320-4670. All information can be found on the site. Please pass along to other members to use our site and the links to both the fraternal site and association site. As always the lodge is still a fun place to see what's happening, so come on in.

2010 means the Annapolis Moose Lodge #296 turns 100 years old. On June 19th, 2010 we have an outstanding celebration planned for all to attend. Check the flyer on the web-site and posted in the lodge for details. I'm asking every member, male & female to attend and bring some friends as this event is open to the public. Let's show our pride to the community and have fun celebrating this milestone.

I look forward to seeing all of you at the lodge.
Participation pays the bills.

Fraternally,
Chuck Adams

Administrator Annapolis #296
