

Moose 296 News

August 1st, 2009

Brothers & Co-Workers,

August is always HOT and there is hot fun going on this month at the Lodge. The 5th District Picnic is Saturday 08/08/09 with lots of fun for all, so please plan to stop by and have some fun. The new Tiki Bar is open Friday Nights. An auction to benefit Moose Charities is planned for 08/13/09. Hot Crabs on Thursdays. Remember Monday Night Bingo has guaranteed Jackpots, so tell your friends as bingo is open to the public. Also ½ price appetizers are available in the Social Quarters Monday through Thursday from 5:00pm to 7:00pm. The Lodge 100 year anniversary committee is forming, anyone wishing to help please contact Governor Jay Stover.

After attending the District Meeting this month I found that some very prominent lodges are having trouble paying bills. Main reason, lack of participation. Please don't let this happen to your lodge. Come in and enjoy the Officer's and Staff's hard work to provide you the member a good time and good fellowship. Please don't forget your lodge. Different raffles and the new Joker's Wild Game are going on for the lodge so please support these causes and Good Luck to all.

Congratulation to Brother Brian Porter as the first winner of the \$5.00 Prize Pool for sponsoring the most new members in the month of July. This competition continues, so let's all follow Brian's lead and sign-up lots of members. Also Thanks to all the sponsors this past month as together they signed 19 new members. Use the Moose International membership campaign, "Be a Piece of the Solution", the "Bull Moose" and "Welcome for \$60.00" short term membership campaigns for new male members, they work Let's all continue to work hard to obtain our 123 new male member quota.

Remember the men meet the 1st and 3rd Thursdays of each month. The WOTM meet the 2nd and 4th Wednesdays of each month. Please make an attempt to attend.

BE PROUD to show your Moose Card as you will need it to make purchases and to enjoy lodge activities. Time for a little refresher on our privacy policy. As a Moose Member you and ONLY you can make purchases. We encourage you to invite guests but there are limits to how many times that same guest can come with you before the must become a member. If you have questions please see an officer or staff member.

Let's all make August awesome. Come out and enjoy your lodge.

Fraternally,

Chuck Adams
Administrator
